Alan, Eric,

I would like to confirm our agenda setting meeting will be this Friday at 2:00pm in the PBID office.

Alan, the trolleys are already on the agenda. I have been meeting with POLA and have worked it all out. They will be sponsoring two additional trolleys from May 7th through the end of September. We have already secured the trolleys and worked out the financing (POLA will sponsor) I have also secured an inexpensive mobile app that will show the route and the location of the trolleys in real time (updates every 30 seconds). I'm currently working on the signage but won't have the stops confirmed by next meeting.

Andy is also finishing up a map that will have the trolley route on it. We are creating the map so that it can be easily changed in house. I know there will be changes every few months.

See you on Friday!

Best regards,

I am available Friday afternoon, around 2pm would work for me. Let's be sure and put the additional trolleys on the agenda. I want to propose that we form a sub committee to work on it. Sampson Way work is set to begin in August and if we have the system up and running by then it will go a long way in relieving the congestion that will cause. It will also give up an opportunity to
